I met Brother Sonny at First PB Church and soon learned that we attended school in Oak Cliff together at Boude Storey. I didn't know Brother Sonny when we attended jr high but always looked forward to visiting with him at church. He was always someone I enjoyed visiting with when we visited Dallas and attended church with him and his church family.

Sue I am so saddened to hear of your loss. Sonny and I shared some good times at LTV and about ever golf course around Dallas & FW. Recently I was re-living those days and Googled L.W. "Sonny" Kinnard and found out I started a little too late to do my search. Sue I would love to hear from you. I have a story about Sonny and I on the golf course at Grand Prairie I would love to share with the boys if I could get an email. Drop me a line sometime. Dick Herring rrh75835@gmail.com

My sister and I went to high school with Sonny and always considered him a very good friend. He was ran around with our cousin, Speedy Davis in high school and was always nice to us when we would hang around too. Always kind and had a smile for us. A good person then as he has been the rest of his life. Anyone who knew Sonny has been blessed. Our hearts go out to his family.

I knew Sonny my entire life, through our Church at Dallas. In all those years, Sonny never said a cross word to me, never criticized me and always met with me with a smile, a warm embrace and kindness. I will never forget that. My life is better because of knowing Sonny Kinnard. I loved him very much.

I always learned something when around my Uncle Sonny. Always something humorous, practical, and scriptural. I loved him and will miss him.
