

Stanley Thomas Welker

July 5, 1953 - May 1, 2020

There are no words to adequately describe what a fine man Stan Welker was.

Stanley Thomas Welker was born in Oklahoma City, Oklahoma on July 5, 1953 to Don and Tomi Welker. He was a talented athlete, and played basketball, baseball and football growing up. He graduated from Putnam City High School in 1971, as a beloved friend, classmate and athlete. Stan went on to graduate from Centenary College in Shreveport, Louisiana, with a degree in Business in 1975. While at Centenary on an athletic scholarship, he played basketball and baseball for the Gents.

Stan enjoyed a long career in sales starting with Data Documents, and for the last 32 years at his place of pride, Magnetic Ticket and Label. He was invaluable to and loved by his partner, employees and customers all over the world.

Stan spent his life with the love of his life, Kim Chambers Welker. They loved to do just about everything together, but being with their precious Mathilda, working in their paradise of a backyard, and travelling tops the list. They saw the world together, and created an amazing home they treasured. He loved her the most and the best.

Stan's children, Marmendy and Elliott, know how lucky they are to have had the most amazing Daddy. He was so proud of them and loved them so much, as well as their spouses, Tim and Deb. He never missed a concert, game or event in his children's lives, and he was loved by so many of their friends and teachers.

Undoubtedly, the light of Stan's life was his darling granddaughter, Mathilda. He was her Pop and was in complete love with her from the day she was born. They had so many amazing times together just hanging out, going on special trips, and in South Padre Island. He absolutely loved watching her on stage and was at every performance. We know he will continue to watch over her from Heaven.

Stan loved OU Sooner sports, Uncle Julio's, South Padre Island, John Wayne movies, and a good drink. Think of him when you see or have these things. His family is heartbroken

and will never, ever forget him. We love you, Pop. Number 22 in your program, number 1 in our hearts.

Stan leaves behind his great love, wife, Kim Chambers Welker; daughter, Marmendy and Tim Thompson; son, Elliott and Deb Welker; and granddaughter Mathilda Marmendy Welker Thompson; his loving siblings, Dicki Welker Parks, Johnny Welker, Terri Welker Headrick, Bucky Welker, Donna Amerson Hausmann; nieces and nephews he loved so much and their families; his good, good girl, Scarlett Rose; and countless friends here and all over the world.

We will properly honor our Husband, Daddy, and Pop at a later date when restrictions are lifted. Information to come.

“ I am just heartbroken to learn of Stan's passing. I played basketball with Stan in middle school. We called him "Gunner" because he was such a hotshot on the court. Stan was a wonderful guy. I ran into him several times at various airports and always looked forward to visiting with him at school reunions.

May God Bless

“ I want to offer my condolences to the Welker family. I worked across from Stan when I led supply chain for Green Dot Corp. I remember meeting Stan many times at the Nashville facility. He was always fair and friendly. He had a quiet strength and a good sense of humor. We talked about his playing college basketball in Louisiana and how he'd moved to downtown Dallas with his wife and enjoyed walking around visiting music venues and restaurants. I enjoyed his presence and mourn his passing.

Sincerely, James N. Orange County, CA

“ Dear Kim & family, I am so sorry to hear of Stan's passing. Stan was a friend, a very good athlete & a great guy! I grew up with Stan in the same neighborhood, Coronado Heights, playing with the same kids, Billy & Randy Hughes, Phil Logston, etc. We played football & baseball together for the Coronado Satellites, run by Carol Cornet. My dad Bob Sr, who just passed away in Sept at age 95, coached some of our teams, & never forgot Stan. I enjoyed watching Stan & our Putnam City basketball team, I believe go all the way to the state finals our senior year of 1971. Stan would drive to the basket, stop, pull up in the middle of the lane & make a short, soft jump shot. I've never seen anyone do that better than Stan Welker. Even though the last time I saw him was in Dallas in the late 70s, I have & will continue to have fond memories of Stan. God bless you & yours in this time of loss. Bob Lowe, Houston TX

“ May the Lord bless him and keep him
He once told me not to worry, but be happy! All before it was the popular thing to say.

“ Although I hadn't worked with Stan at MTL since 2007, I'm nevertheless saddened to learn just today of his passing. I will always remember him as one of the most kindhearted, easy-going and considerate people I've met in my life. It was a pleasure to have worked with him. I know this is a deep loss to his family, friends and MTL family upon whom he made such a positive-impact every day.

“ Dear Kim, Marmendy and Elliot, We can't believe Stan is gone! We know you can't either. Our prayers are with you that you will feel God's peace and comfort as you go through this incredibly difficult time. Jay and I have such fond memories of you all, and especially remember how Stan came up to the hospital the night our Kaitlyn was born 31 years ago. He was the first one to see her after us! Know that you all are close in our thoughts and prayers throughout these next days and weeks. Love,
Vetta and Jay Stiles
