

## Alby Dockery

December 28, 1919 - December 24, 2017

Alby Dockery, a resident of Rockwall, Texas, was born December 28th, 1919 to Carl Ben and Lola Gertrude Dockery in Island, Kentucky. Alby left this world and passed on to the next world, in order to be reunited with his Lord and Savior, his wife, twin children, family members, friends and fellow soldiers, in the early morning hours of December 24th, 2017. He died just days short of his 98th birthday. Alby was a devout Christian, a self-employed contractor and entrepreneur, an accomplished self-taught artist, auto mechanic, carpenter, gunsmith, and musician. Alby, following his retirement, taught himself how to repair antique watches/clocks (including machining clock parts). Alby grew to become an avid pocket watch collector, until he lost his eyesight in the middle 1990's due to macular degeneration.

Alby and his family left Kentucky around 1929 and eventually moved to Arkansas, following a small detour through Texas, where his father learned of a small farm for sale in Hempstead, County Arkansas. Alby's father purchased the farm upon arrival in Arkansas and immediately settled the family in a small farming community on the outskirts of Hope Arkansas. Shortly after moving to Arkansas, Alby met a young freckle face girl with bright red hair at a Halloween party, during that same year of 1929. The young girl's name was Gladys (Jean) Vines who lived on the farm next to the newly purchased Dockery farm; Alby was 10 years of age and Jean was 9 years of age. To say that Alby and Jean were "smitten" with each other from first sight is actually an understatement. Alby and Jean dated through childhood and up until Alby

enlisted in the Army on July 24th, 1941. Due to the escalation of World War II, Alby and Jean postponed getting married. They eventually married on September 14th, 1944, following Alby's return from his duty in the Asiatic-Pacific Theater Campaign, where he served his Country as a Surgical Tech working in the operating room assisting mainly orthopedic surgeons. At the completion of World War II in 1945, Alby was discharged from the armed forces, in November of 1945.

Following Alby's marriage to Jean Vines and upon Alby's Honorable Discharge from the U. S. Army at the end of World War II, he and Jean moved to Dallas, Texas from Hempstead County, Arkansas, in order to seek better employment opportunities. Within several years Alby ultimately built a house himself out of his back pocket. That home was located on Veterans Dr. and Loop 12 in Dallas, Texas, situated in the shadows of the VA Hospital on Lancaster Road in Dallas, Texas. Alby and Jean were married until Jean's death on June 25th, 2004, only months short of their 60th wedding anniversary. Alby Dockery remained unmarried, until his death, on December 24th, 2017.

Alby is preceded in death by his wife Gladys Jean Dockery, a set of premature twins, his parents Carl Ben and Lola Gertrude Dockery, two sisters Gladys Honeycutt, Joy Mallernee and a brother Roy Dockery. Alby is survived by his son William Terry Dockery, daughter in law Bonita "Bonnie" Dockery of Rowlett, Texas, Granddaughter Brandie Lynn Sellars, Grandson-in-law Randy Sellars, Great Granddaughter Madelaine "Maddie" Sellars of Rockwall, Texas and his Sister-in-law Margaret Louise Vines Fulkerson of Hope, Arkansas; along with numerous extended family members, friends, and neighbors.
