

Alvie Wesley Gill

August 24, 1931 - June 19, 2014

Alvie Wesley Gill of Lancaster, Texas was born August 24, 1931 in Corsicana, Texas to Edgar and Rosie (McGee) Gill. He passed from this life on June 19, 2014.

Alvie is survived by wife of 64 years Sue Gill; sons Ricky Gill & wife Sonja, Glenn Gill, Paul Gill & wife LaDonna; daughter Carolyn Johnson & husband James; sister Bessie Dyar; 9 grandchildren; 13 great grandchildren.

He was probably best known for his plumbing business in Lancaster, TX located on Houston School Road, aptly named Gill's Plumbing Co. He would drive around in his work van doing plumbing work for people and businesses in and around Lancaster. He always did everything he could to treat his customers with respect and give them a fair price for his work. That's just the type of man he was. He was that way with everything in his life, including his family, friends, and employees.

The strong morals and values he had stemmed from his Christian upbringing and his love for Jesus. That Christian upbringing and love for Jesus led him to be a preacher during the early years of his adulthood. He loved his family more than anything else in this world. His wife Sue was the apple of his eye until the day he passed from this life. He worked as hard as he could every day to be able to provide the best life possible for his family. During the little amount of time he did spend away from work, he was best known for his silly

antics, funny stories, and jokes he would tell trying his best to put a smile on everyone's face.

Although he was light hearted most of the time, he did have a serious side. This included instilling in his children, grandchildren, and other the same morals, values, and love for God he had. He wanted nothing but the best for everyone around him, going far out of his way to help whenever he could no matter the cost or sacrifice.

He loved all of us with all of his heart, and he was and still is loved by his family. May he rest in peace. We will see you again in Heaven.

Planning every stop so that we would see the most and do as many things we could. Thank you for your generous heart. Always giving to help others and always giving and loving to your family.
