

Andre Lenelle Barbour Sr.

August 6, 1961 - November 8, 2016

Andre Lenelle Barbour Sr. aka Superman, 55, died suddenly Tuesday, November 8th, 2016, from complications related to surgery.

Andre was born August 6th, 1961, in Buffalo, NY and recently became a resident in Lancaster, TX. He worked as an aircraft engineer at Gulfstream Aerospace, and was a lifelong member of the Falcons Motorcycle Club. He was a decorated Marine.

Even more than all of these things he was a son, a father, a brother, an uncle, a godfather, and a friend. His family values were of the utmost importance. His attention to detail and commitment to a job well done was second to none. His abstract skills and creative technical "Eisenstein" ability made him an exceptional innovative mechanic. His boisterous laugh and well known smile were contagious. He was a dedicated biker and loved his toys.

He is survived by his son Andre L. Barbour Jr.; mother, Mildred P. Barbour; sisters Annette Anderson, Diane Barbour; brothers Robert F. Barbour (Linda), James Barbour (Sharon); Sister-in-law Diane Wardlaw Barbour, numerous nephews, nieces, aunts, uncles, cousins, close friend Sonya Multrie and former wife Mignon Hale.

He is preceded in death by his father Robert F. Barbour Sr. and brother

Michelangelo Barbour.

“ I am shocked to discover that Andre has passed. I knew something was wrong when his voicemail was full and he didn't return my texts. He and my husband (Cedrick Howard), who died in 2012 were good friends. My condolences to Andre's family. I will miss you. Cathy Howard of Fairburn, GA.

“ I am so sad to hear of Andre's passing. He was a very special person that always made me rethink my place in the world. His jolly demeanor and his huge heart was quite different from most of the others. He stood out as a person that would make a difference in a way that most of us couldn't understand at our young age. I served in the Marines with Andre for nearly 3 years and travelled the world with him more than once. He was a real gentle giant that I was always happy to see and chat with. He was always doing something constructive. Even in his free time he was making something useful with his hands and would always volunteer when he was a person that was in need. Please accept my sincerest condolences. He was a very special man that will be sorely missed.
