“ *I have soooo many cherished memories of my Grandma! She was beautiful, sassy and a very blunt woman. She was definitely one who would tell you like it is and not hold anything back. But that's the best kind in my book. She didn't believe in sugar coating anything.*

*Grandma "Mom" - you were definitely a strong willed independent woman. You were classy and little feisty lol. Your smile lit up the whole room. I will miss you tremendously...I will love you always and forever. RIP - fly high with your angel wings.*
