“ Annie was my best friend and neighbor for 18 years. She was so much fun to do things with and so intelligent and witty and a very genuine person. We went to movies, shopping, eating out, holiday open houses and so much more. We shared holiday meals and personal conversations. She was my buddy.

She introduced me to so many people when I moved to Lancaster that has really enhanced my quality of life; 99% of those people I would have never known but for Annie. She and my new neighbors made me feel so welcome to the neighborhood.

Annie was such a blessing to me, and I will miss her so much. I loved her like a sister.

*With love,
Pam Laughlin*

“ I used to "baby" sit Gary in the summers when school was out. Didn't need a baby sitter, just someone to be there with him. I couldn't have been more than 13 myself and don't think Gary was much younger than me. Over the years, two things I always remembered was they had air-conditioning (we didn't) and it was always so comfortable there. Also they had a picture of a tiger that looked like it was stepping forward and no matter where you looked at it in the room, his eyes followed you. Hope that is still in the family. My Dad stayed with them the last 6 months of his life and I appreciate the love and care they showed him during his illness. God bless them. Sorry that all Dad's siblings are now all gone. Hope we can stay in touch with the family that is still living .Prayers for Gary and his family.
