“ Anton (Tom) aka Dad) raised a family like very few men would. In Dad's eyes we were raised just like we all were his. Tom (Dad) had a heart full of Agape love. And when I asked why he did what he did, Dad's answer was simply, "I wanted a family a big family." That's also what God wants to have.. a big family.

What a amazing man ! I can only hope to be as loving and rewarding to be around as my father was ! I will treasure every memory and lesson he taught us through out our lives ! He was always proud of all his boys no matter what . He took pride and created lots of joyous memories with his grand babies .. his laughter was contagious and could light up a room . He would know what to say when you needed him most , this wonderful man was my rock my north star my compass !.
