“ *Seven years have passed. Now, I have photos and memories of all the times we spent together. You are greatly missed. I still think of you everyday. You. AJ, Momma Maria and Papa Rudy are a huge part of my life. We met in college and continued to stay close to each other in our adult years. Thank you for many years of friendship and unconditional love. Your Love for Me was, A Once in a Lifetime kind of Love.*

“ *Tony...*

*Of all of the many blessings  
How ever great or small  
To have had you for a nephew  
Was the greatest one of all.  
The family chain is broken now  
And nothing seems the same  
But as God takes us one by one the chain will link again.*

*Mijo will miss you. 🙏.*

“ Dear Brother an sister n law.  
I was so sorry to hear about your unexpected loss. I am still in shock myself. You have my very deepest sympathy. Your son was such a wonderful, person and so active and vibrant, which makes it even harder to comprehend his death.  
I have so many fond memories of him that will help me in my grief. I enjoyed his company so much and I will miss him dearly. I want you to know that I share in your grief.
