

Aujwon Dominique Wooden

March 9, 2006 - April 24, 2018

The Warrior

Stunningly beautiful and staggeringly powerful he stood
His presence emanated authority, innocence, and love
Always the flirt, women's hearts melted the moment his gaze fell upon them
The battle started early in his young life
Sweet potatoes and bananas gave him strength throughout the fight
As the battle ended his gaze lifted higher and higher
to focus on His face, then he closed his eyes.

Well done, my Warrior, well done
Love with all of our hearts
Mommie, Chunk and Honey

He leaves to cherish his memory his mother Janine; brother Caelin "Chunk";
grandmother Margaret; his harem Betty, Jamie, Jessica, Shai, and a host of
other relatives and friends
