“ *Only an aunt can give hugs like a mother, keep secrets like a sister and love like a friend. I was so blessed to have my Aunt Barbara. We shared so many of those moments together that I will forever cherish. As an adult we became such good friends and shared so much. At times we would laugh until we cried and sometimes cried until we laughed. I will miss you so much Aunt Barbara but I will forever see your beautiful smile, hear your jovial laugh and carry a piece of you in my heart.*
Love and miss you so much,
Bettye Lynn

“ *Love You
We will all miss your presence.
Just knowing you were around.
Now I will have another loved one looking in on me to keep an eye on me.
That's a lot of pressure you know.
God fill the emptiness we all feel today with the joy of knowing you
and for those of us lucky enough to have been related to you to
keep you in our hearts and minds until we see you again in Heaven.
In Jesus name. Amen*
