“ I can not find the words to describe what Bennie meant to me as a friend. All I ever think of is the many times we spent together and us always laughing and laughing...Bennie was, is and always will be the spark which moves and fills my heart. Mary, dear Mary...what can I say other than "Scutum Fidel"...may you forever be comforted and protected in the Shield of Trinity...God Bless You in your time of need and condolence.

Bennie, wait at the gate for me...you know "Mr. Hanney" sure will show up with something to sell...be it a house (sold you two of those) or some useless item just to hear you laugh and say "OK now Mr. Hanney" that's enough....see you on the other side my brother...PEACE BE UPON YOU!!!...I will never be whole again....

“ *My dear friend, I look back and smile and remember the good times when we would come to class looking for each other, we would laugh and talk for hours about our memories of military events. I will miss you dearly but I know your family misses you more so I pray God's peace and blessing to be with them through this trying time. Missing you __Hosiah and Ella Dixon*

“ *Even though I only knew you for a few months, it seemed as if I had known you for years. I will miss checking on you making sure that all was going fine and you didn't need any things. I will also cherish the many and I mean many talks that we had. You are in a definitely in a better place now and you will be missed. I know in my heart that even though they may be in pain, Mrs Maria, Keesha, Bennie and the grandkids will be just fine. once again thanks for all of the nice memories. I miss you my friend, JD*
