“ As a new member of the extended family, it was a delight and treasure to meet and get to know this extraordinary woman. She had a heart of gold and spirit that is unseen in others. I know I was glad to know her and she has enriched my life in return in ways unknown to her. I wish we had more time together but sadly this is not the case. She will be missed by us all.##imported-begin##Bob Hoffman##imported-end##
