“ *Steve, Jeffrey and Jenna,*

*My heart is breaking for all of you. I pray each of you find peace and comfort soon. I hope all can find it in your hearts to have the strength and compassion to see each other through this extremely difficult time. Granny was a great lady. She taught me many many things in life that I am eternally grateful for. I know she is rejoicing today. I can't imagine the look on Pop's sweet face! I can't be there to hug your necks, but know my heart and spirit are there!! Love to each of you!!*

*Love Always,

“ Dear Steve: I saw aunt Betty at Louise's funeral a few years ago. She always looked the same. She was a classy lady. I know you and your wife and kids will miss her very much. I wish I could come for the funeral but due to bad health myself I won't be able to attend. Still the same I am thinking about you all and praying you.
