“ *We're so sorry to hear of Betty's passing and hope she has finally found peace from the terrible bodily problems that have plagued her these last few years. “ Betty became my closest friend here in Texas. She will be etched in my memory as a person who loved life as well as her family and animals. I am grateful for her friendship and for introducing me to her incredible family. Betty was always positive and eager to do most things. A favorite memory among many is when she stood on her hands in my swimming pool!!! I will miss you terribly, Betty. I love you, Diana
