“ Dad was a staff sergeant who honorably served our country in the Air Force as an airplane mechanic for 15 years. He was also able to repair almost anything. He could fix cars or build houses. Those abilities have been passed down from him to my children and grandchildren. We love you dad. We will think of you everyday.

“ Bill was my husband's sister's husband for more than sixty years. I have been a member of that family for thirty three years. He was a truly good man. He loved Ann so much. She was a lucky woman. Who new that they would go together. I am so blessed to have had them in my life.
