“ Ms. Shannon, I was so sorry to hear about your loss. It is very devastating, this I know-- I just lost my dad two months ago, so I know what you are going through, my friend. I know that the Lord is with you and comforting you everyday. It will start to get better everyday. I hear the heart never heals but it does get better.

Love you honey and the boys.##imported-begin##Kandy and Dwight West, JR##imported-end##

“ To Kari and her sisters, words can not express how full my heart is due to the pain you are feeling. I can only tell you from experiencing the death of my father that in time you will only remember the good times and understand that Gods plan is already set in stone before we are born. The time has come for your mother to go home. She did her work here and raised all you girls to be strong loving parents, wives and true friends to all you know. My God bless you to continue to be the women your mother raise you to be.##imported-begin##Marian (Mo) Balthazar##imported-end##

“ *MOM, I love you and miss you every HOUR, MINUTE and SECONDS of everyday, since May 11th. I'll I can do is keep reminding myself that someday I can see you and tell you again that I love you and you were the best mother anyone could have. You showed me how to love and to forgive and not to hold nothing against no one. I hope I have done what you have showed me.*

The last learning lesson you gave me..... You said

"There is a certain kind of love... that you can give, that gives a person courage, strength and support, so they can be a better person in life."

Momma,

I realize you were giving me a learning lesson in life. But you were also making sure I knew that you loved me and supported me to become that better person in life.. I MISS YOU

MOMMA.##imported-begin##SHANNON##imported-end##

“ Granny and some grandchildren went to go shopping at walmart (our favorite place to go when we were all together) Granny didn't like taking the highways so we went on the service road and we hit a big ditch. granny got out the car after saking if everyone was ok and made sure the acr was ok. while granny got out stephanie got out to shut the trunk because the trunk opened for some reason. once we both got back in the car granny said o my gosh the trunk closed all by it's self we tried conviencing her that she never believed that stephanie had got out the car to shut the trunk. one of the funniest times ever!!!##imported-begin##Stephanie M. “ Road trip to Houston when we burned the motor up, Keeping mom company at work after she was robbed at gunpoint, Weekly trips to the used bookstore for our literary "fix", Garage sales, 2 hour shopping marathons at Walmart, gossiping on the phone, trying to teach me to make white gravy (which I never mastered) taking care of me and my babies after my surgery, making me big batches of the best chocolate chip cookie dough ever, and critiquing the performers of American Idol each week since it began.##imported-begin##Lesli J. “ Giving up doesn't always mean you are weak; sometimes it means that you are strong enough to let go. We didn't want you to give up mama, but I'm trying to believe you were strong enough to let go. I am not strong enough yet to find comfort in that...I will always miss you.##imported-begin##Lesli J. Smith##imported-end##
