“ As her sister, where do I begin - there was 1 year 20 days difference in our ages. We were like twins to our parents. We did so many things together during good and sad times. She was a wonderful sister, loved and cared so much about family. I loved her so much and will miss her forever. The void her passing has left in my life will never be filled. RIP Billie as you leave the beautiful life you made for yourself. Norma Jean Worley Loftin
