“ I sure do miss you and could really use some of that advice I always called harsh. The girls talk about you daily, I'm so glad they're old enough to remember what an amazing grandfather you were. They know you are watching over us all. I love you so much.

“ *He was more than a uncle to me, he was like a dad. He gave me my first tricycle, when he got married to the beautiful Dolores I cried so much he drove me around the block to settle me down, he gave me away to my wonderful husband Don, and when I first got sick he helped us out. He's in my heart, memories will never fade. Love you Uncle Booby!*
