“ Dear Brenda,
I am so sorry for your loss. Your daddy was such a great man and I know he will be missed terribly. I will never forget my time as outrider for his wagon on the wagon train. He called me Scarlett (O'Hara) and I always got a kick out of that. That was 25 yrs ago this year. I have recently been back in touch with several of my friends from the wagon train. In fact, I posted a statement about your father's passing on our wagon train group we have online. They all wanted me to tell you that they send their sympathy as well. Jan France said she was on the Bicentennial Wagon train with your father as well as the TX Sesquicentennial Wagon Train. Your family is in our prayers.

Love,
Ranee Williams Oliver and friends from the Texas Wagon Train.##imported-begin##Ranee Williams Oliver##imported-end##
