

Bobby Joe Keith

February 12, 1959 - November 4, 2019

Bobby Joe Keith was born February 12, 1959 in Dallas, TX to Gerald Keith and Dorothy Faye Huddleston Keith. He graduated to heaven on November 4, 2019 in Katy, TX after a lengthy 3 year hospital stay.

Bobby Joe grew up in Oak Cliff just down the street from Stevie Ray Vaughn. He and his brothers loved playing the guitar together, and his brother, Tony, would actually play with Vaughn. He and his wife, Brenda graduated from Lancaster High School in 1978. Their anniversary is November 9, 1978, just 5 days shy of 41 years. Besides Brenda, Bobby Joe had many loves. Along with his guitar and singing, he loved fishing and everything cars. He loved car shows, car races and fixing cars. Bobby Joe also loved people. He had many friends and several of them very close friends. Many of them are from working for TxDot for many years. He loved telling jokes and making people laugh. He loved helping people in any way he possibly could, and he loved people that played football while wearing a Dallas Cowboy jersey! Even more important than the Cowboys, he loved God, his family, and especially his grandchildren.

Bobby loved the Lord with all his heart, soul, and mind. He held strong in his faith to the very end. God was first in his life, and he loved to talk to everyone he met about it. He loved his church and all his brothers and sisters in Christ. They and many other church families prayed continuously for him during his last 3 year journey, and he was very grateful for it.

He was preceded in death by his parents and his brother, Clarence A. Keith.

Bobby is survived by his wife, Brenda; his daughters, Kristen Ross and husband Alcory, Jennifer Thompson and husband Brice; his grandchildren, Brice Thompson Jr., Christian Keith Ross, Aacoria Ross, Tyran Ross, Novin Thompson; his great-granddaughter, Kehlani Thompson; his sister, Paula Keith Dayter; his brothers, James A. Keith and Jeffrey M. Keith; and numerous nieces and nephews.

“ I have many wonderful memories of Bucky. He was so fun to hang out with growing up. So many thoughts run through my head from Crazy Mary, Chico the horse, Old Blue Hole and so many more. He was funny, loving and a protector to Paula and me, He was our Hero. I will miss him ,but I rejoice knowing that he is in Heaven fully restored. I love you Bucky and Brenda

“ *What can I say about my big brother? He loved God, his family, friends and the Dallas Cowboys (in that order). He loved old cars but he really loved music. I remember listening to him playing the guitar with our other brothers for hours. Bucky was so funny. He had something to say about everything...man he loved to argue..lol. My world will never be the same without him in it. I love him so much and I will miss him everyday.*
