“ *Uncle Bob will surely be missed! Our thoughts and prayers go out to the family. My family and the Stevensons would get together every few months when we kids were young. I remember the tornado shelter at the old house, lighting fireworks, adults playing dominos, riding four-wheelers at the ranch, and of course the peanut brittle. We had some good times back then! “ Mr. Stevenson was known for his famous peanut brittle. I worked at Seafood Supply Company for many years. When Craig worked there, Mr. Stevenson would make his peanut brittle and bring it up during Christmas Holidays. He made the best that I have ever had. He was a nice, kind man.
