*To Maurice, family and friends of Bonnie: What a joy it has been living next door to Bonnie for many years. Her positive attitude, contagious smile, and vibrant spirit blessed our lives. Even in her last years of being bedfast she maintained that same spirit as she faced declining health. Our daughter Pam as well as Jo Ann and I loved to sit and visit with her. She will be greatly missed*

*To the memory of Bonnie Anne: Washing the watermelon knife you sent recently. Lee Ona had used it to cut some cabbage for a salad. You sent many useful things over the years. Seemed like you knew what was needed. The most important thing you always sent was your encouragement and prayers.*
