“ *I have so many wonderful childhood memories with Brenda and the Bridges family. I can't express how much love Brenda showed me as a child, it was infectious. She loved her family so much and it showed. She gave the best hugs and always was so easy to talk too. I love and will miss her very much.*

“ *Brenda was the most loving and caring person. She was a mom to me when my mother couldn't be. Sitting around playing different games together was the best time for me. Cut throat Canasta was our number one game!
Her love for her Lord and her love for Dannie (and his love for her) were second to none. I know deep in my heart she is with the true loves of her life, happy and whole. No more pain, no more tears, and always watching of each of us that she loved.*

Kellie Canright - September 21, 2015 at 05:52 AM

Kellie we have all been the sore losers to my mom's competitive streak when it comes to playing games! Great memories indeed!!

Thank you for sharing!

“ *Thank you Aunt Brenda for all of the childhood memories. I will
never forget the look on your face when you found Jason and Little
Danny hiding in the laundry hamper during a game of hide and
