“ Carol was one of the most beautiful and wonderful people I have ever meet. I meet Carol and her family back in the early 80's when they came to Texas and we worked at Beauty Gardens in Desoto and have stayed good friends throughout the years. Carol did my hair for many years!

So very sorry to hear she is no longer with us. I know how adored she was by so many people!!!

RIP sweet friend!! until we meet again.

“ Carol was my mother Elaine's best friend. In speaking with Frankie today we both believe they are having fun in Heaven together. Our deepest sympathies and prayers for Tom, Tommy, Frankie and her grandkids and daughters-in-law. The world is little dimmer without her bright light. She was there for my wedding, the birth of both my children and playing bingo! We all loved her so much! “ Mrs. Carol was a very kind special woman. Even though I've only known her in short amount of time, I know many in the community who has deeply mourned her passing as she was a life of service, love, compassion, and a Woman Of God. May she rest in peace.

“ There are special times that you always remember when you think of someone. After Carol's sister, Linda, died, Carol took her two young nephews for the entire summer giving my now husband time to regroup. It was no easy endeavor for someone with heart issues and with two young boys of her own. It meant so much to the boys to be with someone who had been so close to their mother.

Words can be one of the best gifts of all, and there are two occasions when Carol gave me a special gift. Once it involved encouragement and gratitude and another time when I questioned my faith, she gave me an understanding that never occurred to me. Those words will stay with me forever.

Being with Carol was like being in the middle of a big, warm hug. She was welcoming, open, and kind. She was the real deal and will be missed by all those who knew her.

We are so sorry that we can't be with the family at this time, but we are with you all in our thoughts and prayers-Always.
