“ Prayers for you, Denise and family. Your mom was such a sweet, sweet lady. She was always so kind and made me feel welcomed in your home when I would spend the night with you. Your mom and dad both were such wonderful parents and role models. I will be out of town today, Dec. 2nd, and unable to attend her service, but please know that I be lifting you up in prayer. God's comfort and peace to you all. Love, Patty Barberee Hullett

“ Glenn and I had a lot of contact with her when Howard made the pedaling contraption for the cardboard boat we made. I would visit her sister Vivian a few doors down from us every Saturday and often Carol was visiting too. They spoke every single day and were devoted to each other. Our prayers go out to her family during the following days and years. This gentle and caring soul will be greatly missed. Garyesue

*Being such good friends with Denise in Jr. High School and Lancaster High School, I got to spend a lot of great times with her parents. Howard and Carol were like parents to me. Whether camping or going with them on vacations or just hanging out in their home, I always had fun. Their home was full of laughter and love. I will always cherish my memories spent with them. My heart goes out to Denise and Tony and Carol's entire family. She was very special.*
