“ *The Fultons lived around the corner from us when I was growing up. Mrs. Fulton was such a sweet lady. So many fond memories of playing with Karyn, Jerry and Sammy. We shared a common back yard fence and spend many happy hours climbing up the Chinaberry tree to our "club house" on top of the chicken house. I'm so sorry to hear about her passing.*

“ *Carolyn was the first person I met when I applied for my job as secretary at First Presbyterian of Lancaster. Carolyn open the door from the fellowship hall for me to come in and wait to be trained for the new job. She was cleaning the kitchen with other women I guess for an annual cleanup day. She was so kind and so pretty with a beautiful smile. From that day on we was friends. She was a perfectionist in all she did. We could talk about anything. She was my heart. Every time she would have a different hair and color do, just gorgeous, nothing but class. She loved her Robert. I thank Carolyn for letting me be a part of her life and family.*

Peace with you.

Liz Watson, First Presbyterian church Secretary.

“ Carolyn and Robert were some of the first people that my parents ever met when they moved to Lancaster back in the late 1950's. Carolyn was always a part of my life growing up.

Two of my favorite memories come immediately to mind:

- the hot pink bathing suit that she wore to one of our trips to Padre Island (and that we were all certain was the cause of the hurricane that shortened our trip that year).

- the wonderful dilly bread that she used to make.

Rest in peace, Carolyn.

“ Carolyn was my “other” mother. Both Carolyn and Robert have been in my life since the day I was born. I have so many wonderful memories of her and cherish all the unconditional love and support she gave me throughout my life. She was truly an inspiration to me and I will fondly remember her. Thanks for all you taught me. Godspeed Carolyn.
