“ Oh my handsome husband, it's been 12 weeks now. I slept on the couch last night, for a moment I thought you were there looking at me. Love you honey, Your Wife

“ Like a rosebush, their love grew to it's full extent
Beautiful blossoms to represent the blessed memories
Becky shall be a seed, to make the roses bloom
We will all carry his memory, and keep him with us
As we all start anew

We will cherish your memory
And all keep you in our hearts
As we slowly begin from new

Like a seed being nurtured, a root begins to grow
As time passes, a sprout will appear to grow
small at first, getting used to the new dirt,
We will all form leaves, and eventually bloom once more
As our memories of you are never forgotten

“ Everyone keeps telling me that I will feel better in time. I can't even bare closing my eyes, I'm so afraid I will dream about you, then wake up and this horrible feeling will consume me all over again. Oh my handsome husband, I will ache for your gentle, brilliant smile for all my remaining days...

“ Love

*I have only just lost you the pain is hard to
bear
Do I have to go through life knowing you're
not there
please some one explain to me why he had to go
are there any reasons I really need to know
I sit here and remember all the lovely times we shared
the talks the laughter of every one you cared
I am told the pain will ease in time
and I will think of him without a tear
but that will be impossible as I need to have him here
He was my very world to me my ever guiding star
Just kiss me softly on the cheek and tell me where you are*

“ *Oh my precious husband, I am missing you
every breath I take. The only comfort I have at
this moment is the fact that your extreme
sadness and suffering are over for you. I love
you and feel so lost without you bossing me
around. But don't worry, I still hear you telling
me how to drive.*

*Your loving wife,
Becky aka PINK*

“ I am truly sorry at the loss of this gentle man. We were really close in high school - he was one of the gang. Even though we lost touch over the years, I often thought of him. We had a chance to sit down a while back and do some catching up. I will miss him. May God give his family peace of mind and may Cary find the peace he was seeking.
