“ I will always cherish all the kindness and love Charles and his entire family showed to me from the 1st time I met them! One of my fondest memories was his appreciation of Elvis Presley's music and movies. Can't recall a visit as a Teenager where there wasn't an Elvis song or Movie playing. Definitely appreciated them sharing their family with me 😊
May you and Momma be resting Happily and pain free together....Say Hi to The King for me 😊
