“ Wanda so sorry to here of Charles passing. We had many fun times and years together. I think of y'all often when I pass your house in DeSoto. I guess Charles, Jack and Robert are all sitting around talking and laughing about old times. If you ever need anything please call. May God bless you and lesser your burden in your time of loss.

“ *I remember his gentle voice and smiling eyes and always thought of him as a happy soul enjoying his life; all of you are in my thoughts and prayers extra, extra. May you always keep the great memories of him close to your heart - he is a part of all who knew him and had the pleasure and privilege of sharing in his company. I love each of you.
