“ Chuck you were one of a kind. I remember visiting y'all in Chicago and boy what a memory (me getting sick). I always loved teasing you about marrying Ann Margaret. You had a laugh that was contagious and made me laugh. You were deeply loved and will be missed. Will see you one day cousin. I love you Chuck. Sherri

“ I remember Chuck as an incredibly smart guy with a great sense of humor. When we were growing up, he was kind and put up with shenanigans from his little sister and me. Chuck was blessed with an amazing family that loved him dearly. His mother, father, and sister were devoted to him.

“ I know "Chuck" was loved greatly by his sister and brother in law who always took VERY GOOD care of him. I will always remember chuck riding his mo-Ped down Midway Rd to go to the Flying Saucer and chuck calling Mike to ask for a double cheeseburger from Whataburger. I know Chuck will be greatly missed but we will see him again on the other side. The Lord says " I go to prepare a place for you and I will come back and take you with me that you may also be where I am " John 14:3

“ I really enjoyed getting to know Chuck better these last few years. We had some fun times enjoying meals to Mama's Diner, which was one of his favorite places. Chuck was funny, polite and sometimes talked so much I couldn't get a word in, especially when talking about college football. I will miss him.
