

Charles Edward Poteet

October 7, 1962 - July 7, 2016

Charles Edward Poteet, 53, of Red Oak, went home to be with the Lord on Thursday, July 7, 2016. He was born October 7, 1962 to Gwen Yvonne and Kenneth Dean Poteet in Dallas, TX. He lived most of his life in Red Oak, TX.

Charles is cherished for being a big hearted guy, who loved his family, friends, and his dogs. He was the dedicated caregiver for our mother. He was always there to lend a helping hand when friends and family needed it. He was a faithful Christian and worshiped at Red Oak, Northside, and Brown Street Church of Christ.

He graduated from Red Oak High, then attended college to become certified as an automotive technician, later attended Cedar Valley College and earned a degree in Air Conditioning and Refrigeration. He worked in maintenance at various companies over the years, most recently at DeSoto and Lancaster ISD.

He enjoyed fishing, hunting, and was very competitive in archery competitions locally and out of state. He also loved his nieces and nephews very much. They would put a big smile on his face whenever they called him Uncle BooBoo. His smile and chuckle will be missed by all who knew him.

“ I am saddened to hear of Charles passing. He was one of the first guys I met at MAC, Mesquite Archery Club. We enjoyed shooting 3D and hunting together for many years. Even tho I left the club several years ago I thought of the good times we had. R.I.P my friend. Until we meet on the practice range again. Bill Lehr

“ I met Charles back in 1977 when we were both in 7th grade. We graduated high school together in 1982. One of my favorite memories of Charles is when his family was kind enough to let my brother and me ride their horses. Another memory is when Jacky Thygesen and I went riding around with Charles in his car. We drove down a steep embankment so we could go fishing and that somehow messed up the car's transmission so that it would only go in reverse. We actually had to drive Charles' car back to Red Oak IN REVERSE! Good times. I was very touched when Charles showed up unexpectedly to my father's funeral, which was almost a year ago. I hadn't seen him in over 25 years. Charles was always a good friend. I hope he knew what a great guy he was.
