*I worked with the fabulous Charley Stinson at Dallas County-Facilities Mgmt. I enjoyed our working relationship. He was a hoot. I was here when he retired and I still speak of him today. "When Charley Stinson was here we did it this way".
Family warm comfort to you always in Jesus name.*

“ *Charles was an amazing man that would do anything for anyone! He loved his grandchildren so much! Wherever the grandkids were, Charles would be right there with them with a smile on his face. He was such a caring man, always concerned about others. I just know that he's up in Heaven, chilling with Jesus, & they're doing some carpentry work together, both happy as can be. 🙏*

“ When I was 17 years old, Charles opened his home to me when my family was transferred to Atlanta. I wanted to finish my senior year at Lancaster High School and living with Connie and Charles was the best thing I could have hoped for. I am forever grateful for his generosity. Patricia Muesse

“ *Charles Ray was a loving husband, father and grandfather. He loved his kids and grandkids so very much. He was a jack of all trades and could do anything. He loved our place at the lake! He is an amazing carpenter and proof is in our house! I can't put into words what a wonderful job he has done. He LOVED the lake life and has met many new friends. My kids adored their Dad. He and his talents will be missed. To have known him was to love him. My heart hurts and I already miss and love him so much. He is truly an Angel in Heaven!❤️*
