“ Hi Mommy, I know it's been a while since I was here. But that does not mean that I haven't talked to you or thought about you! I miss you so much. It hurts the same as the day you left me. I'm almost done with school. I got my cap and gown already! I know you would be so proud of me. The kids are getting so big. I have been struggling a lot and really just wish you were here with me. I will be back more often. I love you always mommy!
