“ I remember when you arrived your grandma calling me tellin me how you were born with a tooth just like your cousin Caleb in the exact same spot as his! I couldn't believe it until she sent a picture I was so ready to see you and super excited to meet you! I'm so torn.. you and your cousin were 4 months apart, were supposed to be partners in crime! I will never question why so soon.. I know you'll still be around ❤️ We love you soooo much! I just wish I got to hold you one last time.
