

Christopher Kelly Kite

June 15, 1985 - November 21, 2023

Christopher Kelly Kite was born June 15, 1985 in Dallas, TX and passed from this life on November 21, 2023 in Lancaster, TX.

Kelly will always be my "Little Cowboy Blue." He had a heart of gold. Kelly loved dirt bike riding and loved his family very much. We will miss him forever and hope he told everyone in heaven how much we love and miss them, too.

He was preceded in death by his nephews, Jesse Chapa Kite and Junior Chavez; his Mamaw, Marilyn Tricomi; and his Papaw, A. J. Mixon.

Kelly is survived by his mother, Alisa McDougall; his father, Louis Kite; his sister, Brandie Chavez; and his niece, Alexis Lopez.

A private service for family will be held at a later date.

In lieu of flowers, the family requests memorials be made in Kelly's name to "Shatterproof" for all those loved ones and their families who are struggling with addiction. <https://www.shatterproof.org/nationalmemorial/christopher-kite?thankyou>

Heaven gained a sweet hearted young man when you left here. Hard to believe, you are 40 this year. One day we will all rejoice together. I dreamed about you the other night. “ Well Kelly, life is going on still. Today is a year that you left us. I try very hard not to think about any of you. What I would give for one more time to sit and listen to you about us going to Peru. It was such an old conversation, but I would love to hear it again. I love you my sweet son. I hope you are happy! Love mom

“ I am sad today Kelly. I miss you so much. I cannot believe that you really died. I wish you would have told me you were going, because when you said you were not ok, I should have picked up on just how not ok you were. I am so sorry. I love you and I want to cry but, I will put on my face and just know that you are much happier. Please ask Jesus to give us a little break, especially to your Sis. She is strong but - we all need a little time to recoup. What a magnificent Christmas you must be about to have. You know as your parents, me and Dad always tried to make Christmas so awesome for ya'll. But, I think you will see what awesome really is this year. Merry Christmas my Little Cowboy Blue! I love and miss you!
