“ Claude was a good man. Our acquaintance was short, only lasting a few years. But in that time, I came to know a person of high ideals and a decent human being who treated others with respect. I was saddened to hear of his passing, but at the same time, I know that he has gone to live with the Lord on high. God looks over his family, and they all know it . God rest your soul , Claude. You always treated me square.
