Kay, I am so sorry for your loss. I will always remember so fondly when you and Darwin were neighbors living on the corner from FUMC and all the times we worked on church floats and as Our families grew up. Darwin was always a free and fun spirit who made me laugh more than I can even remember. He put life in the word LIFE. I will be in prayer for this time as you and we all day goodbye until we will all be together once more for eternity. Love you!
