“ *I have known Connie for 30 years through church & the Bell family. The past 3 years we became closer since she moved to Athens TX. Her beautiful voice was a joy to listen to as she glorified our Lord with it. She touched many lives & It was her desire to be a witness to salvation through Christ Jesus. We talked about this a lot. I know she is enjoying her heavenly home, free from all sorrow & pain. I love you Connie!*

“ *I worked with Connie at AAFES to, she was in my department Concessions. She always had a great smile and was a blessing to be around. No matter how tough things got she always had a great out look on things. She will be greatly missed by all but is up in Heaven singing to Jesus and the angels with her husband who has been there years ahead of her.*

“ I, also, worked with Connie at A.A.F.E.S. in the Military Star department. It was there we found out that we were cousins on my Dads side of the family - Ernest Leon Frazier. My Mom and I went to hear her sing at a church on a Sunday afternoon. Connie had a beautiful voice and was loved by so many people at work. She will be greatly missed.

“ Connie and I worked together for years in the Military Star department. I am glad we were able to keep in contact after she retired. I know she had not felt well for sometime. She had a kind and caring heart. I loved watching her expressions and listening to her stories. I want to add a thank you to her niece that spent so much time, love and took care of Connie---- how Connie always mentioned how much she loved you. I want to extend my deep heart felt sympathy to Connie's family. And say farewell to someone who will be deeply missed. Until we meet again. Marsha

“ I remember meeting Sam's parents for the first time, that's when he introduced me to His Aunt Connie, she was very nice to me and my kids. I've only seen her a couple of times since then, but each time she had always made me feel apart of the Tomson Family. She will be deeply missed.
