“ *Danny and I grew up together in Hutchins. We each went our separate ways until he reached out when I moved back to Hutchins. I like to think I had a hand in getting him and Donna back together. They were junior high sweethearts. He had such a gentle spirit and took such good care of Donna. I am forever indebted to him that he brought such joy to my one of my dearest friends. I am comforted to know he and Donna will be together again. Sending prayers to his family and Donna’s also.*
