“ Nana,
Words cannot describe how much I miss you!!
Its still very hard to think that you are gone.
There have been many times where I picked
up my phone to call you!!! I still can't believe
you are no longer here with me,,,,,I know you and mommy are
looking down on us and watching over us. I love you so much and
miss you more than you think. My heart hurts but I know you are no
longer suffering and finally with mommy. I miss both of you so

I think about you everyday... wishing I could still have my daily phone call with you. My babies are going to miss going to nanas house. I don't know how I'm going to cope with all of this right now. But I just know I have the 2 most beautiful guardian angels looking down on me and my family right now. I love you so much Nana.*

“Darlene and Joe are great friends of ours . We met them through Caroline and Mark Stoneham on Bolivar Peninsula . We had loads of fun hanging out with them at the beach . What a great lady and friend she was . She was gentle and kind to everyone, and will be missed tremendously by everyone that crossed her path . Thank God she is dancing on streets of gold. Bless Joe and his family in this hour of need .
