“ Really miss how quiet and smart he was for his age and boy he could really be funny when he wanted to. Especially when he was a little kid. He is so missed.

“ Hey David you were on my mind today and I found this guess book I just wanted to let you know that you are missed dearly. I knew you for a long time and you made me laugh so many times, I took those good times for granted, you were taken way to soon but your with your mother now and I know you are happier than ever. Keep an eye out for us down here.

“ To my family: My deepest and heartfelt sympathies. I know that I wasnt around much, but you are still my family. I truly regret that I could not make it to the funeral. David was a wonderful child, Adam, and I know that you are proud of his accomplishments, as I am.

*I pray that the Lord give you comfort and strength is this most difficult time, and that you may some day be able to look at the sun again and smile.*

*My love always,*

“ POEM I WROTE FOR DAVID HOPE EVERY 1 APPRECIATES IT I DO WRITE POEMS, LOVE POEMS, SAD POEMS...  
We little knew that morning that God was going to call your name. In life we loved you dearly in death we do the same. It broke our hearts to lose you, you did not go alone For part of us went with you the day that God called you home. You left us peaceful memories your love is still our guide. and though we cannot see you you are always at our side. Our family chain is broken, and nothing seems the same but as God calls us, one by one, The chain will link again, RIP MY FRIEND DAVID##imported-begin##Aaron Wickliffe(A.DUB)##imported-end##

“ David. I already miss you. We just spoke about our next term, how we would group together. Just the other day, I was awed, once again, when you opened your mouth to give a project presentation- so much knowledge, so indepth and as always- well prepared. So unusual for such a YOUNG man.  
....A kind, tempered, soul, GREATLY ADMIRER. I send much, much Love...from my HEART.##imported-begin##Cassandra Delille, ITT classmate##imported-end##

“ David was a bright star that I was blessed to know this past year at ITT Technical Institute. He was a favorite of mine and his gainful knowledge of technology was so thrilling for me each time I taught.

*I will also remember David smiling at me with that twinkle in his eye and saying in that deep voice: "Morning Mrs. Copeland" There are many more memories that I will treasure forever.*

*My heart breaks for David's family, but know that David was a shining star that was put out way too soon.*
