“ Karen, and the rest of the family, I have known Deborah for many many years because she was my daughter's neighbor. Also seeing her at Minyards. You all have my deepest condolences during this difficult time. She was a sweet and kind woman to everyone. I always admired her when she worked at Minyards and wondered how she kept up with working there as she was just a little older than me and I know I couldn't have done it. She will definately be missed.

“ Just thinking about all the years we shared together. We have such a loving family. The summers were the most fun when we stayed at each others homes. Nothing better than close cousins. I'll remember the good times and pray for your peace and release from pain.
