

Delia Bell Robinson "Henny"

November 18, 1930 - December 26, 2019

Delia Bell (Whited) Robinson, also lovingly called "Henny" by her grandchildren and most that knew and loved her, passed from this life in to the arms of her Savior December 26, 2019 at the age of 89.

She was born to Esben Lee and Lucy (Crook) Whited November 18, 1930 in Van Alstyne, Texas. The family later moved to Cedar Hill when Delia Bell was a young girl.

Babysitting was Delia Bell's first job and at the age of seventeen, she went to work in Lancaster for Minnie Ada Robinson (who later became her mother-in-law) at Robinson Rest Home, where she met her future husband, Lloyd Dewitt Robinson. She and Lloyd married April 13, 1952 in Lancaster. Through the years Lloyd and Delia Bell owned and operated several businesses including a handicap boys home and an amusement park (Robin Hood Park) in DeSoto. In addition they owned the Dairy Diner in Cedar Hill. When Lloyd's mother was ready to retire they bought her nursing home, the Robinson Rest Home and operated it until retirement. Delia Bell attended Mountain View College and earned her nursing home administrators license.

During retirement, Delia Bell enjoyed babysitting some of her grandchildren and great-grandchildren and other very lucky children, which most still kept in touch. They loved their "Henny" and her famous "sweet tea" or as most call it "Henny Tea". She was also well known for her "Fresh Apple" cakes.

Delia Bell was the ultimate loving caregiver. From young children to the elderly and all ages in between, she was always doing the kindest things for many

that crossed her path.

Delia Bell was preceded in death by Lloyd, her husband of thirty-two and a half years, parents, Esben Lee and Lucy Whited, sisters, Catherine Whited Kvale and Lillian Whited Hodges and brothers, Elton Whited and James Whited.

“ *Bell Robinson came into my life when I was a very young boy. Probably 2nd or 3rd grade & I instantly loved her. The world felt like a safer place to me when she was around because it WAS a safer place because of her presence.*

My father & Robbie were flying buddies & good friends & I have many wonderful memories of Bell, in my life, as we spent time based around flying trips, family friendship gatherings at Robin Hood Park, & the love Bell brought to those occasions. Some would say that the swimming pool & go-cart track were the main attractions at Robin Hood Park. I always felt like the best thing there was Bell Robinson. Some might describe her as a tough woman but I always did & always will describe her fondly as a very, very, strong, loving, & caring woman with a devotion to people & children that she wore on her beautiful soul like a beautiful piece of jewelry. There are tears of sorrow in my heart now because she is no longer physically with us but there is also joy there now because I KNOW she she is resting peacefully in the arms of the Lord.

My world & everyone's world was a much better place because of Bell. I will miss you dearly & my life Bell & you will continue to be a warm & loving place there because your spirit will always be with us forever.

Lena, Marty, & Charles, I will always think of you as family . Please accept my undying love for you & yours & my deepest, most heartfelt, condolences

There was only one Bell Robinson & will never be another because.....God knew he couldn't make another woman as precious & beautiful as he made her.
