“ *Mrs. Breshears was a teacher's aide for our preschool, when we first opened our schools. She loved the little children so much. She was so very kind and gentle with them. We loved you and appreciated your sweet spirit, Delores Breshears! You did a wonderful job of raising a family that loves God. I know that you are rejoicing in heaven, today! We are sad for your family, but we are happy for you! We will meet you some day!*

“ Don and I, as well as our children loved Dolores very much. She was a big part of our family for many years as a faithful employee at Lucky's grocery. She was so loyal and always there to perform whatever service she needed to do. She wasn't just any employee, she was family. Don or "Lucky" as she called him always got one of her delicious Italian Creme or Red Velvet cakes for his birthday and I'm sure many other occasions.

Heaven just received a wonderful lady. I know we will see her again some day and know she is rejoicing along with David ,James and other loved ones. Debbie and Judy we grieve with you and praying for all the family in these difficult times.

“ *Delores was my Sunday School teacher when I arrived in Hutchins in the 4th grade. She was such a gentle soul you always wanted to do what was right because that was what she expected from you. I never heard her talk bad about anyone and she always made you feel loved. Her family is a testament to her Christian faith and beliefs. She always opted for love and that is so meaningful today! Loved her and cherish her influence in my life.*
