“Kaye was a loving aunt. When we were children she loved to take us on outings. She never missed a birthday card. She supported all the sports teams. Kaye loved baseball and collecting Hallmark items. I still have ornaments on our tree that were gifts from her. We did get to see her last year at a family reunion, but it was too short. I'm thankful that my mom, Beverly and her brother, Stan both got the chance to talk to Kaye only a day or two before she passed. RIP Kaye, gone too soon.

Kaye was a special friend. We were both in the North Texas Keepsake Keepers ornament collectors club that met every month for 25 years. Although she was not able to attend them all i always enjoyed her company as well as other club members did. I was able to reunite our friendship recently and count it a blessing. I will miss your smile and gentle spirit Kaye!
