“ Grandma,

There are no words that can describe the loss that I feel. It almost isn't real. I know that you are in heaven with the Lord and finally at peace but that doesn't mean that I wouldn't rather have you here. I pray that you will watch over us for the rest of our years until we come to sit with you in heaven. I love you so much, and as the tears fall I will sit and thank God for giving me another guardian angel.

Love,

Bunny Rabbit Princess.

“ Tia,
You are so very special to us. Thank you for playing a big part in moving us to Ferris. You will be greatly missed and will live in our hearts forever and ever.
You , have been a pillar of strength within our family and and endless flow of unconditional love.
I will miss the twinkle in your eyes as you smiled and the soft touch of your hands that reminded us all of Welita .
Even though we knew this day would come nothing could prepare us for the pain of knowing we had to let you go.
I know that yesterday morning you put down you cross here on earth and traded it in for a pair of wings in Heaven.

“ *I will always remember Dolores as a sweet, friendly, smiling and loving Lady. It was so obvious how much she loved God, her family/friends, and her church. She will be greatly missed by many at Fundamental Baptist Church. May God grant you each peace and comfort in the days ahead. In Christian Love, Pat Bozek*

“ *Lola, we will miss your kind heart and beautiful smile dearly. I will always remember that even though you were so ill you attended Mother's funeral in May. Now you will get to visit with her in heaven. I remember all the times you helped us make tamales for our church in Lancaster. We had a lot of laughs and such a good time*
