“ Don helped me in the kindest and most

thoughtful manner during a time when I was struggling

hard. I did not ask him for help. He saw the need

and lovingly gave of himself. I will always

hold him in that secret place of the 91st Psalm.##imported-begin##didymus##imported-end##

“ I also knew that he liked kenny chesney... and this song reminds me of him:

Hemingway's whiskey, warm and smooth and mean. Even when it burns, it'll always finish clean

He didn't like it watered down, he took it straight up and neat.

If it was bad enough for him, you know it's bad enough for me.

Hemingway's whiskey

Ah, it's tough out there, a good muse is hard to find

Living one word to the next, one line at a time. There's more to life than whiskey, there's more to words than rhyme. Sometimes nothing works, sometimes nothing shines...

Like Hemingway's whiskey

Sail away, sail away, three sheets to the wind

Live hard, die hard, this one's for him. Hemingway's whiskey, warm and smooth and mean

Even when it burns, it'll always finish clean

He didn't like it watered down, he took it straight up and neat

If it was bad enough for him, you know it's bad enough for me

Hemingway's whiskey

Hemingway's whiskey

“ thank you for being the uncle i never had. i will never forget when you took me out on my 16th birthday to get my hair and nails done.. or paid my phone bill when it was past due because you knew how important that was to a teenage girl. not to mention that i NEVER went hungry at your house. tonight i am making hamburger helper just for you!! you are the most generous man i've ever known. thank you for being in our lives, and continue to watch over me when i need it most.
