“ Greg - you will be missed. You first came into our lives as the "across-the-street" neighbor from my daughter Julie's house on Monticello in Dallas. You were so young and full of mischief! You were a good friend to so many people in and around the neighborhood. All the creative parties! All the cooking, the dinners, the latest in cars to drive about in (I remember Pearl), that aqua convertible, and after you retired - the animal hotel you created!

*I remember your visit to MN with Tom when we went to the apple orchard, ate out on the deck overlooking the St. Croix River and how you loved Minneapolis.*

*You had a life of adventures and travel...what a guy! Rest in peace dear friend. Eunice - from Minnesota.....*

“ *This was a fantastic trip we all took to Epcot in 1983. We have so many wonderful memories of band life, working at Six Flags and life in general with Greg. RIP, friend.*
