“ *Uncle Duck, so many memories. He taught me to make ‘good’ coffee, shared tales of young Mike and, best of all, took our wedding pictures. Yes, 42 years ago he photographed our wedding and the party afterward. Later he and Aunt Betty presented us with a lovely album containing all the pictures. An album we treasure to this day.*

He was a one of a kind man, who left little pieces of his wonderful self with all of us in our memories.

Aunt Betty, we are so sorry for your terrible, unexpected loss. Our prayers are with you and the family.

*Love,
Nancy and Mike*

“ *I am so sorry to hear of Don's passing. He was one of a kind and there will not be another like him. He never meet a strange and he always told you how he felt about things. He will be missed.*

“ So sorry to hear Don has passed. I as many other long time residents of Lancaster remember Don. Knowing Don over the years he was passionate about so many things. He cared about his community. I always looked forward to trips to the Grain Elevator and being able to interact with Don. I occasionally would see him and always gained a new perspective about various topics that were important to him. I know his family will miss him terribly.

“ Uncle Duck, I have so many great memories of things we did together! and with the family! You and Aunt Betty taught me and Brenda to skate at Lancaster roller rink, so many Sunday meals with all the family at Maw Maw and Paw Paws (threw a bunch of washers), played a lot of golf with you, uncle Bob, and daddy at Tanglewood, (with LW later on), fishing and water skiing at Bardwell..... the list goes on! I even like working for you a couple of summers at the grain elevator!! Nancy and I sending prayers for Betty and all immediate family members.

“ So very sorry to hear about Uncle Duck. A precious man indeed. Lots of wonderful childhood memories to cherish. May you fly high on that mountain.
My thoughts and prayers go out to his immediate family. Daddy, Ray and Uncle Duck can have many chuckles over those golf games.
The world once again has lost a great man. May you rest with the family that has gone before you. Betty, special prayers for you.

“ Oh my, I didn't even know about Don! He and Betty and the kids were our next door neighbors! I loved that man, he was so funny and interesting to talk to. Everytime I saw him out in public, I would go up to him and remind him who I was and we would talk about old times and laugh and carry on! He will be missed by all of us old timers! (Everybody knows him because he was such a character and been here forever!) My prayers are for God to comfort and give you His peace, Betty, and all your family during this sad time of grief! 😭💔 Love to all 💖
